The camping experience at Lake Waginger for the whole family

Life's just great and holidays are a blast at the warmest lake in Upper Bavaria. The unique beauty of this region is confirmed in an impressive tourist wonder, which Waging am See once experienced under no other than the founder of Strandcamping Waging, Sebastian Schuhbeck.

And to this day, Waging am See has a great deal to offer beyond its history. A wide variety of shops in the town centre are ideal for a shopping spree, the pronounced cycling and hiking network makes sports enthusiasts' hearts beat faster, and Lake Waginger is a great place to unwind. Embedded in this unique region lies your Leading Camping location in Upper Bavaria.

Your Leading Camping location in the heart of Chiemgau: Unique in Upper Bavaria

To constantly pursue new visions and to provide our guests with outstanding service is at the heart of our concept. Our goal is to make your personal camping dream come true.

5-star quality and a reliable ADAC super site that has been maintained for years provide comfort at the highest level. This is where you can enjoy every moment to the fullest and leave everyday life behind. Finally find time for the family and create unique memories.

That is what makes for an unforgettable holiday at your Leading Camping site at Lake Wagingen.

Camping at the highest level but nevertheless a holiday dream for everyone. Pitches embedded in nature with sizes between 80m² and 200m² with different equipment, from simple to premium, provide a feeling of true wellbeing. In our park-like facility, there is a special spot for everyone's taste.

Unwind and relax in a picturesque setting

Take in the breath-taking view across the Lake Waginger and the idyllic mountain panorama of the Bavarian and Austrian alps from a romantic pavilion by the lake providing a feeling of tranquillity and relaxation. Experience the fascination of this unique atmosphere!

Where luxury is second to none

Our exemplary standards in the area of sanitation set new benchmarks. A new noble three-sided yard with fine wall painting inside offers a high degree of privacy due to its spacious and walled-up sanitary facilities. Our smallest guests will find their own washing paradise in a

Viking ship, which houses the sanitary equipment in a smaller format. Luxurious rental baths give the sanitary area yet another very private touch and redefine standards in the camping industry.

Feel the spirit of camping in our rental accommodation

A true feeling of camping opens up to everyone in our first-class rental accommodation. Even without your own tent, caravan or motorhome, we give you the opportunity to experience the magic of camping holidays. Choose between our rental caravans, holiday apartments, sleeping barrels or wood lodges.

Bathing fun at the warmest lake in Upper Bavaria

A ten-hectare bathing beach with two large sunbathing lawns in the style of a park ensure wonderful bathing pleasure and plenty of opportunities to enjoy the sun. As the warmest bathing lake in Upper Bavaria, Lake Waginger literally turns every bather into a true water enthusiast. Several playgrounds along the three-kilometre beach promenade provide fun and games and perfectly round off a care-free day of bathing enjoyment.

Strandcamping and kids - a perfect fit

A vacation full of fun and adventure for the smallest ones will ensure a completely carefree stay for the whole family. Experience the colourful program of children's entertainment, romp around in the lake

or on our playgrounds and make new friends. This is where beach camping kids will certainly never get bored!

Room for your individual holiday program

The Chiemgau provides endless possibilities of adding an active touch to your holidays. For the little ones and the big ones, on the mountain or in the valley – the Bavarian Alpine foothills provide a host of attractive destinations. Sports enthusiasts will get their money's worth

with our wide selection of activities: Archery, morning gymnastics at the lake, a gentle alpine hike or a demanding mountain tour. A game of mini golf or football golf, a tennis match or a game of beach volleyball with other guests.

For our four-legged guests

Our faithful four-legged companions play a special part in all holiday planning. To ensure your dogs also have a great time, we've got a dog beach, an agility course with a large freewheel and several dog sho-

wers. Because, at Strandcamping Waging am See, every family member is truly welcome.

Enjoy Bavarian cuisine

Enjoy great regional delicacies from our kitchen while taking in the wonderful view over Lake Waginger. The philosophy of our restaurant is to pamper you with tradition, hospitality and cordiality.

Holidays in Upper Bavaria - experience tradition

Camping holidays in Bavaria – that means experiencing centuries-old customs up close. This is where you can actively get to know country and people. Discover how tradition is firmly rooted in our region and is regularly celebrated and cultivated. Feel the Bavarian lifestyle!

Boundless possibilities

The Chiemgauer Land, at the foothills of the Bavarian Alps, is the ideal starting point for a variety of day trips. After all, who would not like to explore the historic old town of Salzburg, visit the Herrenchiemsee Castle, take a boat trip on the Königssee or discover the world's longest castle complex in Burghausen?

See you soon in Waging am See!
